RE: MM Docket No. 93-167  
NOTICE OF PROPOSED RULE MAKING

FCC MAIL BRANCH

Dear Secretary:

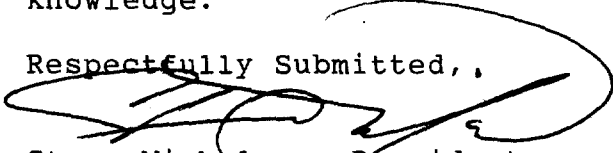

In response to the Commissions NOTICE OF PROPOSED RULE MAKING, adopted June 7, 1993, proposing the substitution of Channel 280C3 for Channel 280A at Chillicothe, Missouri, (KCHI-FM) Livingston Broadcasting Corporation respectfully submits the following comments.

We ask that the Commission rules in favor of the Petition for Rule Making to allocate FM Channel 280C3 to replace Channel 280A at Chillicothe, Missouri filed with the Commission and dated May 11, 1993 by Timothy C. Cutforth, P.E.

Livingston Broadcasting Corporation restates its intention to apply for the new Channel if allotted and, if authorized, to build the station promptly.

The new Channel (280C3) will provide our community with expanded local FM service and will allow us to better serve the public interest.

In regard to Section 1.52 of the Commission's Rules, let it be known that all statements contained here and in the original Petition for Rule Making are accurate to the best of my knowledge.

Respectfully Submitted,,  

Steve Mickelson, President  
Livingston Broadcasting Corporation
